Officials who will attend the Centenary celebrations is for consideration as this involves financial liability.

5) As the centenary celebrations would afford a rare opportunity to old Boys to assemble at the feet of their Alma Mater with a view to renew their past colonial relationship and recall their past happy association, the request to permit the old Boys in Govt. Service to attend the Maharajas college centenary celebration is for orders as the occasion is unique.

6) The mere grant of permission to participate in the celebrations on the 20th and 21st Jan. 1951 and for this purpose to be absent from headquarters on those two days and the days required for the journeys to and fro is all that is asked for, and there may be no objection to granting this. The grant of such permission does not seem to give any claim for TA.

7) The question of sanctioning TA. may perhaps be considered only if there is a representation asking for it or a recommendation by the Committee soliciting it.

8) Govt. have Sanctioned the Concession of Single Railway fare and mileage at rates admissible under MSR to the members of the
